We are actively looking for volunteers to carry the message behind the walls of the Chatham County Jail (men and women), Coastal State Prison and the Men's Transitional Center. Currently there is only one woman at the jail. Help is really needed there. The Committee meets on the second Tuesday of every month at the 24 Hour Club at 7:00 p.m. It would be wonderful to have a representative from each group attend. We need correspondents and Bridge-the Gap volunteers for inmates both locally and nation wide. The next State training will be held at our General Service Office in Macon, Saturday, July 25<sup>th</sup> at 8:00 am. If interested in participating call me or James. Please help carry the message of hope to those who can not get out to hear it. The inmates truly appreciate your contributions. If you have any questions, please do not hesitate to contact me.
